

MAJESTIC JUNIOR USHER PROGRAM

We know a lot of young people who love the movie theatre, but aren't old enough to volunteer yet. But we can always use enthusiasm! The Junior Usher experience provides an opportunity for young people to develop leadership, workforce, and life skills in order to achieve their highest potential as citizens in our community.

Junior ushers can be expected to do age-appropriate tasks like:

Help patrons to their seats

Help patrons find seats

Help carry concessions

Help replace empty restroom supplies

We encourage interested children who are 10-13 years old to read the requirements and the application below. For more information please contact Melanie Loggins at melanie@projectmajestic.org.
